**Re: Proposed CVS on Springdale Road & Route 70
Cherry Hill, New Jersey**

Dear Ms. Luciani:

As you are aware, this office represents the developer of the proposed CVS at the intersection of Springdale Road and Route 70 in Cherry Hill, New Jersey. This will respond to your August 13, 2019 email requesting additional information.

As I have advised you by email, CVS adheres to a policy of non-disclosure regarding proprietary information such as number of employees per shift, total number of employees, etc. The number of employees and shifts vary from one store to another and also from one week to another at any given store based on the busiest times, highest volumes, etc. An approximation is 5-7 total employees on a given shift encompassing both the front store and the pharmacy. Regular store hours (which are subject to change) are: front store - 8AM – 10PM seven days per week; pharmacy – 8AM – 9PM Monday through Friday, 9AM – 6PM Saturday and 9AM – 5PM Sunday (subject to change). We will certainly present the testimony of an individual knowledgeable about the CVS operation at the hearing on the application.

Please contact me if you have any other questions. Thank you.

Very truly yours,

BARON & BRENNAN, P.A.
