

1961 - 2011

Celebrating 50 Years as Cherry Hill Township: 50th Anniversary Logo Design Contest

In 2011, our community will celebrate the 50th anniversary of our official name change from Delaware Township to Cherry Hill Township. The year will be marked with celebrations and reminiscences of Cherry Hill from 1961 to 2011.

The first step in the commemoration is identifying the milestone with an image that represents our past, present and future. On this page are submissions of 50th Anniversary Logo designs submitted for consideration. Just as the name was chosen 50 years ago, we are asking the residents of Cherry Hill to choose the anniversary image.

The winning design will be unveiled during the Township's popular Harvest Festival event on Sunday, October 24. The designer and a guest will also win lunch with Mayor Bernie Platt.

Voting is open to residents only.
